

PDU Technical Specification

Design No.		Date	2025-01-20		Design Dept.		
QTY		Product Category	BASIC PDU		Product Series	LAN30119)	
Lead Time							
Shipping Mode		Department	Overseas		Designer	Nicole	
Customer No.		Workshop			PO No.		
Customer name				Customer Part No.			
Finished-product Code				Factory Part No.	LAN30119		
1	Description	Installation	In the opposite direction	Case Material	Aluminium alloy	Case Color	Black
		Case Length	2126mm	2313-A Bottom bracket 2126		Rack Space	0U
2	Input	Input Mode	Single input		Power Supply Direction	Vertical top power supply	
		Plug Type	IEC60309/32A/3P+N+E		Power Cord Spec	5*6.0mm2/black/RVV 2m	
3	Output	Socket Type	C19 locking/black/16A (12) C13 locking/black/10A (30)				
		Socket QTY	42				
		Socket Combination	No				
4	Function	Monitoring	No				
		Control	Fuse with LED light (6) Circuit breakers/16A (6)				
		Protection	No			Built-in Protection	
5	Internal connection		Copper busbar				
6	Cable Fixing		No				
7	Dimension	Product Size	H*W*D=	2130*64*52mm		Mounting Length	No
		Box Size	H*W*D=	TBD		Tool-less Mounting Button Distance	1555mm
		Carton Size	H*W*D=	TBD		Mounting Button Type	Detachable
		Expandable Polyethylene	No			Mounting Button Thickness	
8	Accessories included						

9	Product Label	Product Name	POWER DISTRIBUTION UNIT			
		Finished-product Code				
		Part No.	LAN30119			
		Rated Input	400VAC 50/60HZ 3*32A 3*8000W			
		Safety Certificate	CE	Logo	Customized customer LOGO (with photos)	
		Manufacturer	No
